Forecast for Saturday 28 Sep 2024

Weather: Clear skies and rather chilly overnight, some shallow mist or fog possible in the valleys around dawn. This will lead to a bright start, but cloud increasing during the morning with the odd shower possible. Some brighter spells still expected to develop.

Chance of cloud-free hill tops above 700m: 90%

Low cloud and visibility: Little or no significant low cloud expected. Visibility mainly very good or excellent, but moderate in any showers.
